

**Course Title:** Personal Track Safety Re-certification  
**Course Code:** PTSR  
**Duration:** 1 Day  
**Location:** Clapham, Crewe, Derby, York or Customer's Own Site

#### **WHO SHOULD ATTEND**

Any person who currently holds a valid Personal Track Safety Certificate and is required to carry out duties on or near a railway line after the expiry of their existing certificate. This re-certification event can be attended up to 2 months before the expiry of the existing certificate and the new certificate will still be valid for 2 years from the actual date of expiry.

#### **OBJECTIVES**

On successful completion of the course the delegate will be able to:

- Demonstrate their ability to correctly interpret the Rule Book, Track Safety Handbook (TSH) and relevant local instructions when required to go on or near the line
- Demonstrate their understanding and ability to follow a safe system of work

#### **CONTENT**

- A course workbook designed to help identify areas requiring some refresher training. This is a training exercise facilitated by a trainer and delegates usually work in pairs which is also designed to identify areas requiring refresher training
- A trainer led session to refresh areas highlighted by the workbook exercise
- Revision session

#### **LEARNING APPROACH**

Classroom based exercises and discussion with some trainer led refresher training. Theory assessment is included.

#### **FEATURES**

On successful completion of this event an application will be sent to NCCA for a competence certificate valid for two years.
